

Snow Whirls Again In Plains Areas

By THE ASSOCIATED PRESS

Snow whirled again today in the central Plains region while sleet and rain pelted the South. Fresh snow fell in an area that extended from Nebraska to northern Texas and reached eastward into the Ohio Valley.

Find No 'Missile Gap' Now

WASHINGTON (AP)—The United States and the Soviet Union have equal strength, the new top Pentagon command has concluded tentatively.

This finding—that there is no "missile gap" favoring the Soviet Union at present—is based on a swift but careful investigation ordered by President Kennedy.

The conclusion coincides with former President Dwight D. Eisenhower's view. He said Jan. 12 in his farewell State of the Union message, "The 'bomber gap' of several years ago was always a fiction, and the 'missile gap' shows every sign of being the same."

The new civilian chiefs at the Pentagon also are convinced that there is no "destruction gap" that would imperil U.S. security in the months ahead.

Apparently, there is not sufficient information at hand to conclude whether there would be a "missile gap" in the future.

These tentative conclusions emerged from a comprehensive review of strategy, defense weapons and policy ordered by Kennedy as a prelude to strengthening U.S. defenses.

In his State of the Union message Jan. 30 Kennedy said he had ordered the reappraisal of military strategy to meet a coming "period of uncertain risk."

In his fourth debate with former Vice President Richard M. Nixon last October 21, Kennedy said of the Soviets and their missile strength compared to that of the United States:

"They made a breakthrough in missiles, and by 1961-2-3 they will be outnumbering us in missiles. I'm not as confident as he (Nixon) is that we will be the strongest military power by 1963."

At present, the new Pentagon team appears to be convinced the Soviets do not have more nuclear-tipped missiles than the United States.

Secretary of Defense Robert S. McNamara is under order to have the military reassessment ready for the White House by the end of the month.

Moderate to heavy snow was reported in parts of Kansas and Oklahoma.

Warnings of snow ranging up to four inches and hazardous driving conditions were issued for areas in northern Arkansas, southern Missouri, southern Illinois, southern Indiana and southern Ohio.

Lesser amounts, the Weather Bureau said, may spread into the Middle Atlantic States.

Freezing rain and sleet hit sections between northern Arkansas and Kentucky while rain fell from the Lower Mississippi Valley to the South Atlantic States.

A mixture of rain and snow slicked a zone that extended from western Montana through Idaho and Nevada.

Texas had snow as far south as Eagle Pass, near Laredo, where snow is rare. Schools were closed in scores of places.

Clear skies brought relief to the Northeastern states, victims of the weekend storm that left snow as deep as 17.4 inches. The seven states hardest hit by the snow reported more than 55 storm deaths.

While the Northeast struggled with snow, Midwest water traffic labored again ice floes that jammed the Great Lakes and the Ohio River. Ice jams closed four dams on 70 miles of the Ohio River.

A spokesman of the U. S. Engineers said it was very difficult to move any traffic through the heavy ice. He said the worst stretch was the 180 miles between Marysville and Louisville, Ky.

Temperatures generally were below freezing except for marks in the 40s and 50s in the West from Washington and Idaho southward and in the Southeast. Temperatures in the 60s and around 70 occurred in central and southern Florida.

Ag Unit Report Shows Surplus Problem Urgency

By OVID A. MARTIN

WASHINGTON (AP)—An Agriculture Department report served today to emphasize the urgency being expressed by the Kennedy administration over mounting surpluses of livestock feed grains.

Because of last year's record production, prices of the grains are running considerably below government price support levels, the report said. Despite heavier use of the grains this season than last, additional supplies will be added, it said, to surplus stocks accumulated from past big crops.

President Kennedy is expected to send recommendations to Congress this week for dealing with the problem. Secretary of Agriculture Orville L. Freeman has indicated a land retirement program designed to reduce the 1961 acreage planted to corn, oats, barley, rye and sorghum grains.

"Average prices received by farmers for corn and sorghum grain have advanced from the seasonally low levels reached in November," said the report, "but are still below the 1960 national average support rates."

The department said, however, prices of these grains are expected to advance seasonally during the first half of this year, probably to near the support levels.

Hog Farmers Get More
WASHINGTON (AP)—The year 1960 turned out to be a 17 per cent better year for hog farmers than 1959 from the standpoint of returns per pound of the meat animal produced.

The Agriculture Department reports the hog-corn price ratio in 1960 averaged 1.4 to one compared with 1.23 to one in 1959. This means that 100 pounds of live hogs brought prices in 1960 that would buy an average of 14.4 bushels of corn. This compared with only 12.3 bushels in 1959.

Ship Fewer Cattle
WASHINGTON (AP)—Six per cent fewer stocker and feeder cattle and calves were shipped into eight major feeding states in the Midwest corn belt in 1960.

The Agriculture Department reported shipments—largely from the western range and other grass areas—totalled 6.1 million head compared with 6.4 million in 1959. The bulk of these cattle were fattened for the quality slaughter market.

But shipments of feeder sheep and lambs into these same states totalled 3.5 million head in 1960, up 14 per cent from the 3.1 million received in 1959.

The states were Ohio, Indiana, Illinois, Michigan, Minnesota, Iowa, South Dakota and Nebraska. Iowa led with 2,308,000 head of cattle and calves followed by Illinois with 1,233,000.

Gold Plan Renews Aid Row

Proposals Win Favor On Hill

By JACK BELL

WASHINGTON (AP)—President Kennedy's program to halt the flow of gold abroad is winning favorable reaction on Capitol Hill. But his proposals sparked a new controversy over foreign aid spending.

Chairman J. William Fulbright, D-Ark., of the Senate Foreign Relations Committee read into Monday's presidential message new assurances that the foreign assistance program could be kept in operation despite the unfavorable balance in U. S. payments.

Fulbright told the Senate the message "repudiates without any equivocation any thought that our balance of payments situation will prevent our doing whatever is necessary in a foreign economic assistance program."

But Chairman Harry F. Byrd, D-Va., of the Finance Committee and A. Willis Robertson, D-Va., of the Banking Committee had distinctly different ideas.

Byrd said Kennedy's 18-point program moves "in the right direction."

"But I think a much more positive and constructive effort must be made to reduce our foreign economic aid," Byrd said.

He said Germany, Japan, England, France and other industrialized nations now are enjoying prosperity as the result of aid the United States gave them in the past.

"If foreign assistance is still necessary, the time is overdue when these nations, in their prosperity, should assume their share of the responsibility," he said.

Former President Dwight D. Eisenhower recommended a \$4-billion foreign aid program. Democratic leaders have said Kennedy would recast this to call on other nations to bear more of the burden of helping newly independent countries.

Many of Kennedy's recommendations can be carried out without congressional action. Others, such as his proposal to cut generally from \$500 to \$100 the amount of foreign goods U. S. tourists can bring back to their country without paying duty, will require some time for enactment.

Republicans generally took the line that Kennedy was not proposing anything particularly new. Sen. Prescott Bush, R-Conn., said that with few exceptions Kennedy was proposing to "continue and expand the necessary corrective actions initiated by President Eisenhower."

Press Campaign In UN Unit For Lumumba Release

UNITED NATIONS, N.Y. (AP)—Asian and African nations, hopeful of support from the United States, pressed their campaign in the U.N. Security Council today for release from prison of deposed Congo Premier Patrice Lumumba.

Ceylon, the United Arab Republic and Liberia were preparing a resolution demanding release of Lumumba, disarming of the Congo army led by Maj. Gen. Joseph Mobutu and reconvening of the Congo Parliament.

With U.S. Ambassador Adlai E. Stevenson telling newsmen he would not speak in the council's Congo debate before Wednesday, Lumumba's supporters were expected to dominate the discussion today.

There was no definite word from Stevenson whether the Kennedy administration's Congo policy would specifically support liberation of the deposed Congo leader now in prison in Katanga Province.

Stevenson has been engaged in a round of private conferences with council members and other delegates. Monday he talked with Secretary-General Dag Hammarskjöld and the chief Soviet U.N. representative, Deputy Foreign Minister Valerian A. Zorin.

There Were Tears—

38 Home From Cruise On Hijacked Liner

By CRAIG L. BASSE AND GENE PLOWDEN
MIAMI, Fla. (AP)—Thirty-eight passengers from the liner Santa Maria, which wrote modern-day history on the high seas, arrived home by plane today, calm but grateful.

"There were tears—you'll never know," said Mrs. Chester A. Churchill, Lima, Ohio and Asheville, N.C., as she walked from the airliner which flew them here from Brazil.

A pleasure voyage aboard Portugal's second largest vessel was interrupted one day short of a scheduled arrival at Port Everglades, Fla.

Capt. Henrique Galvao, a small band of armed rebels, took control of the ship in a brief but bloody middle-of-the-night battle. For 12 days and nights they steered the Santa Maria on an aimless voyage through Atlantic waters.

Galvao's floating revolution succeeded to the extent of focusing worldwide attention on the Portuguese regime of Premier Antonio de Oliveira Salazar. The Santa Maria was finally sailed into Recife, Brazil, where the passengers debarked and the rebels sought political asylum.

On their arrival here today, the passengers were treated to breakfast at the Miami International Airport hotel's restaurant after they were processed through customs.

One of the first passengers to clear customs was Lucille Gray, Chicago, who told newsmen "You (Continued On Page Nine)

Charge Radio In London Sent Secrets To Russ

By HAL COOPER

LONDON (AP)—The British government charged in court today that a small house in a quiet London suburb housed a high-powered radio station transmitting British naval secrets to Moscow.

Att. Gen. Sir Reginald Manningham-Buller, opening the prosecution, charged five persons charged with stealing top submarine secrets from a naval research station, said government agents made tests in the house and heard signals coming from the Moscow headquarters of a spy ring.

The five defendants, who appeared today for a preliminary hearing, are Gordon A. Lonsdale, 37, a company director; Peter J. Kroger, 50, a bookseller; Kroger's wife, Helen, 47; Harry F. Houghton, 55, and Ethel E. Gee, 47.

Houghton and Miss Gee were employees of the top secret naval research station at Portland, Manningham-Buller said. Miss Gee, Houghton and Lonsdale were arrested after she handed Lonsdale a parcel containing naval secrets.

The attorney general said subsequently detectives found a radio transmitter buried in rubble under the Krogers' home. He said agents made monitoring tests at the house and heard signals apparently coming from Moscow in accordance with signal plans found in the house and at Lonsdale's home.

Manningham-Buller said the Krogers provided the spy ring with its communications center "and possibly acted as its bankers."

Business Prepares For Fight

By NORMAN WALKER

WASHINGTON (AP)—President Kennedy today keeps the promise he made to send back to Congress the minimum wage legislation defeated there last year when as a senator he was its chief sponsor.

Kennedy is expected to recommend again legislation to boost the present \$1 per hour minimum to \$1.25 in two stages and to extend coverage to about 4 million additional workers. The law now applies to about 24 million.

As a senator from Massachusetts and the Democratic presidential nominee, Kennedy steered such a bill through the Senate last August after a bitter fight.

He refused to accept a milder House version, remarking at the time, "We'd rather come back and try to do it in January."

A number of business organizations already are gearing for a fight against minimum wage expansion, particularly as to removing present coverage exemptions.

The American Retail Federation, for example, in current memoranda to its members says "it does not necessarily follow, just because the U. S. Senate and House of Representatives each passed bills to extend the wage-hour law in 1960, that the process becomes automatic in 1961."

The administration bills will be accompanied by letters from the President and Secretary of Labor Arthur J. Goldberg recommending them as a way to hike the nation's wage floor and boost the economy.

It is indicated the proposals will (Continued On Page Nine)

Seek To Extend Aid To Jobless By March

WASHINGTON (AP)—President Kennedy's legislative lieutenants are driving to put his plan for extension of unemployment compensation into effect by mid-March.

They were spurred today by administration estimates that in the next five weeks the number of unemployed who have exhausted the benefits provided by present law will climb far above the present 500,000. Kennedy's proposal would revive weekly benefits for such persons, up to a maximum of 13 weeks.

The first part of the job is up to the House Ways and Means Committee, whose Democratic leaders hope to send the unemployment legislation to the House for action within a week after hearings begin Feb. 15.

Only the financing arrangements are expected to arouse much controversy at the hearings. Kennedy proposed that the federal government advance funds for the extra payments to all states which choose to participate. Then the base of the tax on em-

Find Pilot's Body On Ice Of Lake Michigan

CHICAGO (AP)—The wreckage of a missing plane and the body of the pilot were found on the Lake Michigan ice today about four miles off Navy Pier.

A Coast Guard plane from Traverse City, Mich., spotted the wreck—"spread all over the ice," a spokesman said.

Then the huge icebreaker, the Mackinac, crunched out to the scene to pick up the body.

The pilot, Peter Dekalaita, 26, of suburban Cicero, was the only person aboard the single-engine plane. Dekalaita worked as a co-pilot for Capital Airlines.

The search began Monday night after the pilot radioed that he was "having trouble, going into the lake."

The western side of the lake is covered with an ice sheet that extends about 15 miles out from the shore. The ice sheet is studded with mounds of ice four or five feet high.

Officials said Dekalaita's plane, rented at Howell Airport near Blue Island, had enough fuel for two to three hours. Meigs Field spokesman said Dekalaita was making a local flight.

Philippines Believe SEATO Has Collapsed

Editor's Note: Jim Becker, AP chief of bureau in Manila, has been reporting Asian and Pacific affairs since the Korean War from many points. He was recently in Bangkok to cover SEATO meetings on the Laotian crisis and returned to Manila in time to report the meeting of the anti-Communist Asian foreign ministers. Now in Malaysia for the visit of President Carlos P. Garcia, he writes of acute Philippine discontent with SEATO.

By JIM BECKER

KUALA LUMPUR, Malaysia (AP)—The Philippine government thinks SEATO has collapsed and is ready to write it off as an effective anti-Communist force in Asia.

Philippine leaders think the Southeast Asia Treaty Organization might not survive its March meeting.

This was learned as Foreign Secretary Felixberto Serrano and other Philippine officials arrived to prepare for a state visit Wednesday by President Carlos P. Garcia to this neighbor South-east Asia nation.

It was learned Serrano bluntly told the U. S., British and French

ambassadors in Manila that his government feels SEATO has failed to meet the Laotian crisis because it has not driven back the Communists there.

Serrano's government thinks Britain and France have paralyzed the organization and fear that the United States may be bowing to its NATO allies in Asia. Philippine officials also fear some sort of "sellout" to the Communists in Asia on the issues of Laos, the Nationalist Chinese offshore islands of Quemoy and Matsu and the possible admission of Red China to the United Nations.

Serrano may even fly to Washington before the SEATO meeting to put these views before the leaders of the new Kennedy administration.

He reportedly will urge the anti-Communist nations of Southeast Asia to replace SEATO with separate defense treaties with the United States, thereby bypassing Britain and France.

CRAZY, MIXED-UP PHONE BEWILDERS FIRM'S EXPERTS

By MALCOLM L. STEPHENSON

NEW YORK (AP)—A crazy, mixed-up pay telephone in the Criminal Courts Building gives forth with sweet music when you pick up the receiver.

It's better than a juke box—you don't have to put in a dime, and there's no rock 'n' roll.

The bewitched phone is bemoaning to some—embarrassing to others.

And it's bewildering to phone company technicians. Where is the music coming from?

If some one drops in a coin and makes a call, the conversation has a background of muted trumpets, soft saxophones, delicate violin notes and a gentle piano.

A prominent criminal lawyer is a steady listener to the mysterious music during court recesses.

Imagine his embarrassment when he phoned his office and his secretary—hearing the sweet accompaniment for the first time—asked: "Are you in a bar? I hear music."

The telephone booth is in the Criminal Courts Building press room, and it's making it hard for reporters to get off the hook when they phone their offices.

When their editors hear "Stay as Sweet as You Are" coming over the wire, they get a bit suspicious.

Rumor Southern College Enrolled Negro In Error

UNIVERSITY, Miss. (AP)—Mid-term registration at the University of Mississippi ended today amid campus rumors that a Negro had been accepted by mistake.

According to the report, one faculty member said attorneys for the unidentified Negro were prepared to seek a federal injunction if Gov. Ross Barnett attempted to close the segregated university or prevent the Negro from attending classes.

The rumor spread after university officials declined to comment on an earlier report by an unofficial source that five Negroes had applied for admission. Of the five, three were said to have been rejected and two others were under consideration.

State highway patrol cars were stationed on roads leading to the campus. Patrolmen were seen at several points and students said two were at registration lines in the gymnasium.

The university has approximately 5,000 students.

The governor, University Chancellor J. D. Williams and other school officials declined to comment on the reason for stationing highway patrolmen in the campus area.

Editorial Comment

Parents Aren't Blameless

The common phrase is juvenile delinquency, but there are many situations today in which the proper term really should be "parental delinquency."

In all too many instances, parents are guilty of a fundamental failure to develop and enforce reasonable discipline in the lives of their children. They do not make of the family the guiding force and controlling agency it can and should be.

Though this is the basic lack among many parents, it is being compounded in case after case by further failure.

Thus when young people without discipline commit transgressions against their community, the response of the parents involved is often to assail their accusers in the bitterest terms.

The correct and moral reaction of responsible parents would be to accept fair evidence of wrongdoing when it is presented, and to co-operate with the authorities in the application of punishment.

Listen, however, to the spokesman for a group of builders who have been plagued by youthful vandals stealing property at construction sites.

"Parents have been completely un-co-operative. Most parents refuse to believe their child guilty, even when caught in an act of vandalism. They often berate the watchman, the builders, or the police officer."

He cited as typical vandalism the holiday time destruction of \$75 picture windows in every one of eight new houses in a certain project.

The culprits were high school students. A watchman caught four and turned them over to police. Until they confessed, the parents of one youth flatly denied he was involved. Only one set of parents ever took any disciplinary action.

In the train of this inexcusable laxness and callous irresponsibility on the parents' part, the vandalism has continued in this particular instance. So, indeed, do transgressions in many places—and for the same reason.

Parental delinquency is one of the major problems of the day. It is wholly possible that the social science experts may in time conclude that juvenile delinquency is simply an offshoot of it.

We have been placing most of the blame on small shoulders. Very likely it belongs heavily on bigger ones.

Cold Weather Characters Who Should Hibernate In Igloos

By HAL BOYLE

NEW YORK (AP)—Blow, wind, blow! Let it rain, let it hail, let it snow!

Let mother nature go on the wildest winter rampage she wants to. We can take it. Sure, we can take it. But we could take it a lot better if some of the characters cold weather brings out would just hibernate until spring—and let us endure winter's woes without them.

We nominate for hibernation: The man who greets you every morning from the first of November until the first of March with the remark, "Cold enough for you?"

His elfin counterpart, whose invariable daily greeting during the

same period is, "Warm enough for you?"

The poetic secretary, she gazes out the window at miles of pallid city slush and asks soulfully, "Isn't it a veritable winter wonderland?"

The fellow who sees good in everything. His initial reaction to a 17-inch snowfall that cripples 12 Eastern states: "Well, anyway, it's a million-dollar blessing to the farmers."

The tiresome veteran of even more-awful weather. "You call this a storm?" he demands. "Why I remember a storm when I was a boy and it sleeted so hard the wind blew holes right through the tree trunks. The next morning every tree in our yard looked like it had been drilled by 10,000

woodpeckers."

Little runny-nosed neighbor children who say, "Our daddy says he is going to stay out and help us make three more snowmen and a fort. What are you going back inside for? Are you a sissy?"

Stalled motorists who plead to a passing pedestrian, "Give us a little push, will you?" and when you step behind their cars, they spin their rear tires and cover you with muddy slush from toe to eyebrows.

The cowardly apartment house dog. He paws frantically at the door to let you know he needs an airing. You spend half an hour wrapping up in heavy clothes. Then, once outside, the dog sticks one foot in the snow, shivers—and keeps pawing back for home and warmth.

The hardy suburbanite. After a one-inch snowfall, he stayed home for three days while you do his work at the office. The fourth day, bundled up as if he had mushed all the way from the Yukon, he shows up burbling, "Gee, you should live out in the country. It's never looked more beautiful."

The health nut. "The best way to protect yourself against pneumonia in this kind of weather," he advises, "is to eat three tablespoons of blackstrap molasses mixed with four ounces of cottage cheese five times a day." After two days of this diet, he gets sick for a week—and you have to do his work, too.

There is also the wife who insists that you trudge a mile through the worst storm of the year with her so you can pick up a bargain in a rib roast at a distant supermarket, and then announces, "We'd better not buy it. It looks good, but the regular butcher is off today—and I don't trust this one."

There is also . . . But the list of cold weather characters who ought to hibernate is endless. Can't you name a dozen yourself?

Kennedy's Food Stamp Plan Had Successful Predecessor

By PETER EDSON

Written For NEA

WASHINGTON (NEA)—With

a deep bow to Henry Wallace and

Milo Perkins, this is where a lot

of old New Dealers came in.

President Kennedy's announce-

ment that the food stamps plan

will be revived on a pilot basis in

six areas brings back some of the

last of the New Deal experiments

that worked.

Kennedy's Purpose Is Twofold.

First is to give the needy unem-

ployed on relief a better diet.

Second is to help move off the

market surplus foods, thus help-

ing the farmers.

The new administration will

work out its own rules. They

may be quite different from those

in effect 20 years ago. But the

original food stamp plan worked

like this:

In designated areas that agreed

to support the plan, people on

relief obtained a 50 per cent in-

crease in foodbuying power

through use of government food

order stamps.

To get the extra food, people

in the public assistance rolls were

entitled to buy orange-colored

stamps which they could exchange

for any groceries or meats in the

stores.

For each dollar's worth of

orange stamps they bought at

welfare offices they got, free, 50

cents worth of blue stamps. The

blue stamps were good as cash

for the purchase of foods desig-

nated as government surplus.

In May 1939 When The Food

Stamp Plan was first put in op-

eration at Rochester, N. Y., there

were 17 foods on the surplus list.

They were: butter, eggs, lard, dried

beans, corn meal, wheat flour,

graham flour, hominy grits, dried

peas, fancy rice, dried raisins,

fresh apples, fresh grapefruit,

fresh oranges, fresh pears, dry

onions and pork—excluding pre-

pared or processed pork products.

Each stamp was the equivalent

of a government check in small

coin denominations—5 to 50 cents.

Grocers could cash them at any

U. S. depository bank or use them

to buy more food supplies from

wholesalers.

Food bought with the stamps

went through the same trade

channels as other foodstuffs

bought with cash. Profits were

taken at usual producer, retailer

or wholesaler levels.

The only subsidy in the transac-

tion was that the Federal Surplus

So They Say

I think President Kennedy made one of the great inaugural addresses. . . . He gave hope to people. . . . I think he has a program, and whether a man is a Republican or a Democrat, he should be willing to have that program considered.

—Speaker Sam Rayburn (D-Tex.), attempting to get House to liberalize its Rules Committee.

The blind are the most discriminated-against minority in the United States. . . . So many end up weeping baskets or making mats. It is a tragic waste of human skills, a waste we can't afford.

—Dr. Herbert M. Greenberg, blind, assistant professor of sociology at Long Island U.

Nagging is the repetition of unpalatable truth.

—British feminist Dr. Edith Summerskill.

Introduced late in the New Deal,

the food stamp plan in its first

year, at a cost of 10 million dol-

lars, had been extended to about

1 million people in 100 communi-

ties. By July 1941 four million

people in 300 communities were

covered and the cost had risen to

around 100 million dollars.

The plan died out in 1943 under

wartime conditions. Unemploy-

ment had practically disappeared.

Food surpluses had disappeared,

too, and rationing and price con-

trols were in. At the time it was

abandoned, costs had run to 260

million dollars.

Efforts Were Made To Revive

The Plan in Congress during the

1955 and 1958 recessions. Sena-

tors George D. Aiken (R-Vt.), Hu-

bert Humphrey (D-Minn.), and

Rep. Leonor Sullivan (D-Mo.) were

principal sponsors.

A two-year authorization for a

trial program was finally approved

by Congress in 1959. But the El-

senhower administration never

used the authority.

Department of Agriculture's se-

cretary advisory council under Sec-

retary Ezra Taft Benson opposed it.

The grounds were that the costs

for feeding 25 million people es-

timated to be on inadequate diet

would run as high as \$1 billion

dollars a year and that this would

not reduce surpluses appreciably.

Women have divorced husbands

who worked late on their stamp

collections. Men have lived in poverty, refus-

ing to sell expensive collections.

One library has more than nine thousand books

written about postage stamps. With this much in-

terest in a hobby it is not surprising that a man died

of shock a few hours after his collection, one of the

finest in the U.S., was destroyed by fire.

He would scoot away, button-

Chance For Business— Jacksonville Would Welcome Bus Service

Wanted — An individual or company which will provide good public transportation for the City of Jacksonville.

Members of the city council agreed last night that public bus transportation would be welcome. Six years have passed since buses operated on local streets.

Alderman Scott introduced the subject before the council. He said he has been asked by several citizens whether the city government can revive a form of transportation which apparently declined and folded when the buses ceased operating and were taken away by the owner.

"There seems to be a growing demand for bus service," Alderman Scott declared. "The community ought to support a system, even though the buses operated on the hour."

Alderman Matthews pointed out that Galesburg has small buses which accommodate nine passengers, suggesting that someone might be interested in starting similar service in Jacksonville.

He said Galesburg is served by four buses.

Mayor DuBois commented that "this may be a chance for someone to go into business." He said on two occasions he has talked with individuals concerning the probable establishment of bus service, but that both said they were not interested.

Alderman DeFries, chairman of the judiciary committee, said he would like to investigate the possibilities. He was instructed by the mayor to do so.

After the demise of street cars this city was served for a number of years by a bus system headed by Glenn Watson of Columbia, Mo. The company went out of business here six years ago.

Boy Scouts occupy offices. It was Boy Scout night at the council meeting and visiting youths who were selected to hold municipal offices were greeted warmly by members of the council. Each Scout official was invited forward to the council table and sat beside his counterpart official.

Eagle Scout Charles Blackburn of Troop 113 is honorary mayor during Boy Scout Week, occupying a chair at the side of Mayor DuBois.

Scouts holding city offices include Alan Bradish, city attorney; John Hutchens, treasurer; Steve Hartong, clerk; Larry Damrau, utilities manager; Larry Taylor, building inspector.

Scout leaders are Steve Brown, Jeff Elliott, John Kirchofer, Richard Foster, James Seymour, Dennis Wegehoff, John Hall, Robert Bellatti, Joe E. Grojean, Ron Stevenson, David Vorhes, David Burns, Keith Curtis, and Mike Waldbauer. Holding the job of fire chief is Lawrence Quigley, and Bill Craig is chief of police.

Chief of Police Charles Runkel paid tribute to the Scout movement and the role it plays in preventing juvenile delinquency.

Mayor DuBois said Scouting provides invaluable training for citizenship and leadership.

Robert Wallace, chairman of the Camp Committee in Honest

Abe District, thanked the councilmen for permitting the boys to get a close-up look at the way the city government functions.

Mrs. Ida Crawley Dies Monday At Christian Home

Mrs. Ida Ketter Crawley died Monday at the Illinois Christian Home where she has resided since the death of her husband, William A. Crawley in 1955. She was born in the Woodson community, May 30, 1869, the daughter of Frank and Jane Harney Ketter.

Her marriage to William A. Crawley was solemnized March 16, 1892. One daughter, Mrs. Jean P. Curtis of Jacksonville and Frank Crawley of RR 5 Jacksonville survive with seven grandchildren and eight great-grandchildren. There are several nieces and nephews.

The deceased was a member and past matron of the Wilbur Chapter of O.E.S. and a past high priestess of the White Shrine. She was active in church and lodge affairs all of her adult life.

Mrs. Crawley was the last member of her family.

The remains are at the Reynolds Mortuary where the family will meet friends Tuesday from 7:30 to 9 p.m. The body will be removed to the Illinois Christian Home for funeral services Wednesday at 1:30 p.m. Rev. Gerald Miller officiating. Burial will be made in the family lot in Diamond Grove cemetery.

The Wilbur Chapter O.E.S. will conduct services at the Christian Home.

Henry Eilers Rites At Bluffs

BLUFFS — Funeral services for Henry Eilers were conducted from the Bates Funeral home in Bluffs Sunday afternoon at 2 o'clock with Rev. M. D. Goldsborough in charge. Mrs. Margaret Watson was organist.

The many beautiful floral tributes were arranged by Mrs. Newton Gregory, Mrs. William Eilers, Mrs. Earl Albers, Mrs. Orville Gathard, Mrs. Freda Parker and Mrs. Mary Damin.

The casketbearers were William Chambers, Newton Gregory, Jack Moore, Donald Mullen, Harold Baird and Orville Gathard.

Interment was in Hillcrest cemetery.

Overflow Crowd Attends Catholic Inquiry Class

The Inquiry Class sponsored by the Church of Our Saviour opened last night to an overflow crowd in the Routh Club room of Routh High School. More than 100 people were in attendance, over half of whom were not Catholics.

Rev. Alvin L. Campbell, who will conduct the series of 20 lectures on the doctrines of the Catholic church, spoke on the necessity of basing true religious experience on knowledge, pointing out that faith is a gift of God. He developed the three sources upon which Catholicism is founded, reason, tradition and holy scripture, showing that in the first years of Christianity the teachings of Christ were handed down by oral tradition until Matthew composed the first gospel.

Portinent literature was distributed to the participants and the second session was announced for Wednesday, Feb. 8, at 7:30 p.m.

Mrs. Ina Pruett Dies Suddenly; Rites Wednesday

Mrs. Ina Pruett, RR 4, died at Our Saviour's Hospital Monday. She was born in Wayne County, Ky., Nov. 29, 1917, the daughter of Sam and Jewell Wright Poore.

She was united in marriage with Grover Pruett Jan. 8, 1933. He survives with her parents who reside at Monticello, Ky.

Surviving children are Mrs. Betty Birdsell, Jacksonville; Mrs. Juanita Joyce Sanders, Merritt; Miss Marjorie Frances Pruett and Miss Jewell Elizabeth Pruett, at home; Grover Samuel, Sinclair; Gary Cleveland, Lawrence Eugene and John Carl, all of home. There are seven grandchildren.

Two sisters, Mrs. Ina Price and Mrs. Eva Starnes, both of Jacksonville, and two brothers, Ray Poore, Monticello, Ky., and Roy Poore, Mansfield, Ohio survive their sister. One son, one daughter and one brother preceded Mrs. Pruett in death.

The deceased attended the Littleberry Baptist church.

Funeral services will be held at the Williamson Funeral Home Wednesday at 2 p.m. Rev. William J. Boston officiating. Burial will be made in Franklin cemetery.

The family will receive friends at the funeral home Tuesday from 7 to 9 p.m.

Mrs. T. DeFreitas Rites Monday

Funeral services for Mrs. Thomas DeFreitas were held at the Cody and Son Memorial Home Monday at 2:30 p.m., William J. Boston officiating. Burial was made in Jacksonville East cemetery.

Soloist Mrs. Walter E. DeShara was accompanied by Mrs. Melvin Smith at the organ.

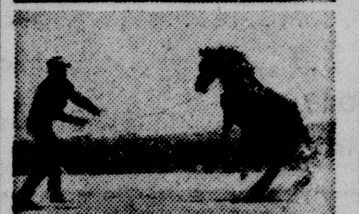

Flower ladies were Mrs. Laura Birdsell, Mrs. Lorene Ferreira and Mrs. Clifford W. Hill.

Pallbearers were Clifford W. Hill, B. H. McCarty, Harry Oliver, L. A. Vasconcellos, George Vasconcellos and Cal Vieira.

Winchester Legion Post Sponsors Valentine Dance

By Dorothy Sauer
(Winchester Correspondent)
(Telephone Pioneer 2-3439)

WINCHESTER — The members of the Winchester American Legion Julian Wells Post No. 442 are sponsoring a couples Valentine Party Dance featuring both round and western style square dancing Thursday evening, Feb. 9, from 8:30 p.m. until 11:30 p.m.

Members and their wives are cordially invited to attend. Invitations have been sent out and they may bring a guest couple. There will be door prizes and admission is one dollar per couple. The square dancing will be called by Max Roberts of Griggsville and there will be music for the round dancing.

A committee composed of Jack Smith, chairman, Dick Leshmet, and Robert Ferenback are in charge of arrangements for the affair.

Evening Educational Meet

The Evening Education Department of the Winchester Woman's Club will meet Thursday evening, Feb. 9, at the home of Mrs. J. Ralph Peak, Mrs. Carl Woodcock, president, will preside over the business when plans will be furthered for the benefit party the department is sponsoring Tuesday, Feb. 14, at the Legion Hall.

The program for the evening will be presented by Mrs. William Hanback and will be of much interest. Her talk will deal with the Elm City Rehabilitation Center at the Jacksonville State Hospital.

Mrs. C. L. McLaughlin and Mrs. Reaugh Jennings are in charge of the social hour following the meeting.

Confraternity Sessions

The first in a series of eight lessons from the book "Catholic Living" is being held this week by members of the Confraternity of Christian Doctrine from St. Mark's Church in Winchester. The first lesson under discussion is chapter 9 of the book and entitled "Duties to Self and Neighbor." The host or hostess for the week is the leader of the weekly lesson and will conduct the discussions.

St. Catherine's Confraternity group will meet Thursday evening at the home of Mr. and Mrs. William Hobbs at 8 p.m. St. Patrick's group will meet at the Jack Smith home at 8 p.m. on Tuesday evening. St. Mark's will meet on Friday evening at the home of Mr. and Mrs. Leonard McGuire commencing at 7:30 p.m. The members of St. Agnes' group met last evening at the home of Miss Margaret McGuire for their first lesson.

Tuberculin Skin Tests

Tuberculin skin tests were given last week at the Winchester, Alsey and Manchester elementary schools to the first and fifth grade pupils and to the freshmen of the Winchester high school. A total of 208 skin tests were given by Dr. Bruno Schroeder assisted by Mrs. George Fogle, R. N., and the school nurse, Mrs. Pauline Lawless. The tests were read on Monday morning.

Mothers assisting in the giving of the tests last week were Mrs. Ray Cherry, Mrs. Leo Campbell, Mrs. Robert Ferenback, Mrs. Roy Kalschnee, Mrs. Muri Helliwell, and Mrs. Albert Day.

Methodist Men

The Men's Fellowship group of the Winchester Methodist Church will not hold their regular February meeting and in lieu of the Wednesday meet the group will attend a district men's meeting in Carrollton. The Carrollton meet will commence with a 6:30 o'clock banquet to be held at the Methodist church in that city. A man from each of the churches represented will speak to the group present and tell of the strong points in their particular church.

Scott Square 'N' Aders

About seventy-five members and guests were present for the regular bi-monthly meeting of the Scott Square 'N' Aders, western style square dance club, when they met this past Sunday evening in the Legion Hall in the city. Max Roberts of Griggsville is caller for the group and announced that the public is cordially invited to attend the western style dancing at the Farm Bureau Hall in Pittsfield Saturday evening, Feb. 11, commencing at 8 p.m. with Dick Matteson, an Illinois Federation caller, as guest caller.

Announcement was made that the Winchester Legion Post was

Know How To Listen A Must

By LESLIE J. NASON, Ed. D.,
With HARRY KARNES

You no doubt knew, before we told you, how important it is to learn to read well. But now we're going to tell you something that probably will surprise you. A student gets only about one-fourth of his facts and ideas from reading.

He gets the other three-fourths from listening.

Yet, the listening skills of most students are slight, in many cases non-existent. Today's children are told to "Pay attention!" but, alas, not how to pay attention.

No more than 10 per cent of your thinking space is needed to hear what teacher is saying. What happens with the remaining 90 per cent can make the difference between "A" and "F."

Either you consciously choose thoughts to fill this space, or it will fill up with noises, music, fear, hunger pangs, and other snips and scraps too weird to describe.

Here are some suggestions that will help you listen efficiently:

1. Fill your thinking space before-hand with a pattern of ideas related to the lecture.

Skim the day's assignment before class and listen carefully to the teacher's introductory remarks. A good teacher always explains briefly in the beginning what he is going to talk about.

Twenty minutes of preparation

before attending class will save you an hour and will increase your ability to understand the unfolding of new ideas and new laws. It will improve your note-taking ability and help you use the class period as a study period. It will cut the overall amount of work required to achieve mastery

in any given course.

2. As the teacher talks, think of how the points fit into the general pattern and into what you already know about the subject.

Games Help Grades

3. If an idea comes up that doesn't seem to fit, ask a question about it.

Glen tried to listen carefully in high school physics class. But he reported he found it difficult to follow the teacher and needed to spend too much time on the textbook after each class and before going ahead with his homework.

We suggested that he read ahead in the textbook, even though he might have some question about points discussed there. He did this and made a delightful discovery. He could follow the lecture. His questions, formed while reading the book in advance, were automatically answered during the class period—because he was on the lookout for the answers.

4. Sometimes it helps to play a little game. We have invented one called "Anticipation."

Here is an example that shows how you play it:

Herman was failing in all subjects. He was a bright boy, but classroom lectures never got through to him. We suggested he listen with the aim of guessing what the professor was going to say next.

"How in the world can I do that?"

He tried. A week later he came in to report a grade of "A" on a philosophy test and to tell us: "Now I understand the trick."

He had learned to trick his mind into sponging up and organizing the lecture. The trick depends on a simple fact of psychology. Your mind can't keep telling you what the speaker is going to say next without first organizing what he has been saying.

5. Another game that produces good results is one we call "What else?"

The rule of play is to keep asking yourself, as you listen to the lecture:

"What else would I like to know about this subject?"

This game forces the mind to organize the facts and ideas of the lecture along with the things you learned previously into a pattern that will reveal a gap in the total picture.

6. Should the lecture fail to supply the answer to any question thus raised, the next step, of

course, is to go find the information on your own from a book.

Art Of Note Taking

There is another learning area closely associated with listening—the art of note taking.

The most powerful driving force toward a clear understanding of a lecture is the act of condensing a speaker's remarks into a short statement in your own words. This is the key to taking notes. Notes should usually consist of nothing more than these statements in your own words.

The big mistake most students make in taking notes is that of trying to write down everything the speaker says. This is unnecessary, harmful, and for most persons impossible. Too many notes interfere with listening.

Your notes should represent only those materials not adequately covered in the textbook. They should be brief.

They should cover only the vital points.

After a class period in which you have taken notes, rewrite them. This is an excellent review

of the material covered. Amplify your notes and make them a major part of your review for tests.

As you see, the art of listening consists of quite a bit more than merely keeping the wax cleaned out of the ears.

Let's glance quickly over what we have been saying:

1. Read the lesson in advance.

2. Fit the points of the lecture into the framework of knowledge

When Mrs. Jacoby was first learning bridge I could always depend on her to follow any convention religiously.

Hence when our opponents reached three no-trump I decided to try a gambling double. I did not know if we could beat the hand at all, but it appeared to me that our best chance would be with a heart lead through the suit that North had bid and rebid.

Anyway, I doubled and waited for the expected heart opening.

Usually, the lead would be made immediately, but to my horror there was a considerable problem.

Finally the ace of clubs appeared on the table. I played my deuce but she was not discouraged. The king appeared next. Then there was a slight further pause followed by five more quick club leads.

After that Mrs. Jacoby looked around and led a heart. I took two heart tricks and they were

down five.
At this point my wife asked, "Was it all right for me to lead a club?" I replied, "Can't blame you this time, but a convention is a convention and if you had opened a heart we would have set them six."

Salem Lutheran PTA Announces New Year Plans

The Salem Lutheran Parent Teacher League held its first meeting of the new year on Jan. 18th at 7:30 in the school hall. Opening devotions were conducted by Pastor Rose. The November minutes were read by the secretary and approved. Mr. Day gave the treasurer's report which showed a balance on hand of \$717.97. A motion was made and carried that the treasurer's report be accepted as read.

Mr. Carter reported that the Christmas card sale is now complete and a profit of \$557.31 was derived therefrom.

Ways and means chairman, Jr. John Shull stated that the church board thought the idea of a fence along South East Street was an excellent idea. At the next meeting he will have a more complete report as to price, etc.

Mr. Damrau, as a member of the athletic committee, reported that the basketball team had just lost its first game. He would be willing to pay for the lodging of the first six boys at the "Y," rather than allow them to go to private homes. Could the PTL allot the necessary funds for their food? A motion was made and passed that the PTL extend to the chairman of the athletic committee what money necessary for 10 boys for breakfast and lodging for four. Of course if the team loses Friday night they will return to Jacksonville.

Mr. Lovekamp mentioned that

the entry fee of \$10 to the Florida tournament had been paid from the book fund. There will also be expenses for the basketball game on Jan. 30th. A motion was made and carried that the PTL pay the entry fee to reimburse the book fund. As a member of the Morgan County League, the two teams will take part in their annual tournament to be held at Franklin starting Saturday, Jan. 21.

Mrs. Robert Day as health chairman said that weight and visual tests have been given. In December physical exams and vaccines were given. She stated that we are in need of sanitary measures, the total cost for these articles would be \$40 to \$45. This total does not include scales which are antiquated. A motion was made to pay for the health items. The motion carried.

Lovekamp introduced the health nurse, Miss Beck, who was present. She mentioned that return immunizations would be given tomorrow.

Wegehoff said the room mothers and volunteers had assisted with the health program and the Christmas party for the children.

Several announcements were made by Mr. Lovekamp. Before Christmas students participated in several singing programs—they appeared before WICS, made a 30 minute recording for WLDS and appeared before Kiwanis Club. On Friday, children will be bringing home report cards. At the end of the next term, parents will again pick them up. The board of education is in the process of acquiring teachers for next year. A sneeze bar has been installed as recommended. Lovekamp also pointed out the new tables and chairs that have been

purchased. The president announced that the Lutheran Women's League renewals have been mailed, urged all to become roll call members.

The business meeting closed with the Lord's Prayer.

The program chairman, Henry Meyer, stated that each person on entering had received a number, 1, 2 or 3. A chairman and secretary would be appointed from each group. A problem was given to each group with 15 minutes to try and solve it. A profitable session followed with a short report by each secretary in conclusion.

The next meeting will be held Tuesday, Feb. 14th. The program will be a report of each of the various educational agencies. It is hoped the Sunday school teachers' meeting can be held the same evening.

Chairman of the refreshment committee was Mrs. Junior Davidson, assisted by Mrs. French Flynn, Mrs. Merle Kern, Mr. and Mrs. Marvin Kleinschmidt and Mr. and Mrs. Harold German.

FIRST MISSILE CAR—Workmen put finishing touches on the first railroad car to be designed and built as a roving carrier and launching platform for a missile. The missile is the Minuteman, a 58-foot, solid-fueled ICBM that can be stored longer and fired more quickly than liquid-fueled types. The U.S. plans to put about 150 of them on the rails by 1963, plans hundreds of others in fixed, underground sites. The car, built at American Car and Foundry's Berwick, Pa., plant, is 88 feet long and features special "three-way-stretch" cushioning to shockproof the missile. Sketches show how the mobile missile system will work. • Wheels are locked in place and jacks lower to raise the car slightly to a stable firing position; a steel flame deflector lowers over the rails to protect them from the blast. • Clamshell doors, covering most of the car's length, open. • The missile is elevated in its protecting sheath. • Finally, Minuteman is exposed and ready to fire at a preselected target halfway around the world.

Supper Served To White Hall P.N.G. Members

WHITE HALL—Fourteen members of the Past Noble Grand Club of Adams Rebekah Lodge met Wednesday night at the I.O.O.F. hall for a potluck supper, with Mrs. Ella Smith and Mrs. Ina Crabtree co-hostesses. Lela Hubbard gave the Prayer of Grace for the supper and a short business meeting was conducted by the president, Edith Frye, with Nora Goodrich giving the Prayer and the Pledge of Allegiance given in unison. Gussie Frazier and Ella Smith were named to serve on the flower committee for the year.

BUNCO was played with prizes. A/IC Buddy Ritchey, elder son of Mr. and Mrs. W. J. Ritchey, spent some time at his home here, as he was being transferred from an air base near Fukuoka, Kyushu, Japan, to an air base near Sevilla, Spain. He expects to be gone about three years.

WHAT EVER HAPPENED TO BABY JANE?

By Henry Farrell

Copyright © 1960 by Henry Farrell Distributed by Newspaper Enterprise Assn.

THE STORY: The former child star Baby Jane Hudson, has advertised for an accountant and agent to return to the stage, although she is now an old woman. Her newspaper ad has been seen by Edwin Flagg, who lives with his mother.

XIV

Having inherited from his father an intelligence in all ways superior to Del's, Edwin had learned early how to use his mother's doting and uncritical affection to his own selfish advantage. In school he took up the study of music with the avowed intention of making this his life's work. Already dedicated then to a musical career, he was safe, upon graduation, from the tedious and terrifying necessity of venturing out into the world in search of a living.

If, in the 10 years following, Edwin failed to realize any profit from his musical compositions, it was only because his was the kind of genius not appreciated on the commercial market.

Meanwhile, Del made a living for them as a household domestic. This way she had managed through the years to provide adequately for at least their basic needs—well enough, certainly, for Edwin to pursue his "career" without interruption. Things had gone along smoothly, if dully—until this last year.

Del's health had begun to fail. Arthritis had started to develop, first in her hands and then in her shoulders, so swiftly that within a very short time her usefulness in her regular line of work was all but at an end. Clearly, unless some sort of miracle intervened, which was highly improbable, Edwin was to be forced out

into the world after all. This prospect, after an entire lifetime of defensive isolation, was, to Edwin, almost too horrifying to face. He did not know where to begin, or even if he could begin. It was an enterprise obviously doomed to failure from the outset. Edwin in a dispirited analysis of his predicament appraised himself as all but totally unemployable. But there was a moral obligation . . .

Del Flagg, having subjected the ad to the same feverish scrutiny that a curator might have lavished upon an ancient manuscript, looked up finally and smiled.

"Why," she said with wary brightness, "this seems just about made to order for you, don't it?"

Without looking up, Edwin nodded.

Del studied his face broadly. "You think night clubs are good for somebody who's artistic?" She stroked her hand across the paper one last time and put it down beside him on the bench. "Does it just mean night clubs around here—or out-of-town ones, too?"

"How should I know? It isn't my ad, you know."

"Well—I don't know." She was watching him now, carefully, but trying to make her gaze blank. "Would you want to go away like that—out of town—with somebody like that?"

"Well, if I want the job, and they want me for it, I suppose I'll have to do what they want me to. Won't I?"

Del nodded morosely. "Yeah, I guess you would—if you wanted to let yourself be like

that." Her gaze moved away evasively.

Edwin's irritation leaped inside him like a small, furious animal. What he wouldn't give to be away from here—away from her—free! For the first time in his life the spark of ambition came alive for Edwin, and suddenly he wished he did not have misgivings about the ad. He wished he could believe that the job was real, was his, that he was going to be hired to play at television studios and night clubs—miles and miles away.

"It doesn't say if this star is a man or—or a lady. It just says it's a star. You'd think they'd figure you'd want to know, wouldn't you?"

"What's the difference?"

"Well, if it's someone you're going to be traveling with and all—"

"I haven't got the job yet. I haven't even called to ask about it."

Though Edwin did not believe in the ad's legitimacy, the more she opposed the idea, the more imperative it became for him to do so—as a kind of confirmation of this new feeling that had begun inside him. He nodded down at the paper. "It's the only thing that's turned up since I started looking."

Del nodded, her eyes bleak. He reached out to the phone, touched the receiver, then drew back his hand. This was the nightmare plunge into the hostile unknown—the breaking away—that he had feared all his life. He could feel the moisture gathering on his forehead. Swallowing hard, he looked down at the phone and at the number marked in the newspaper. He raised his gaze slowly to Del's, his eyes wide with a frightened appeal.

"You call for me, huh?" he he said, putting the phone back into her hands. "You do it."

THE INQUIRING MIND

that made Electric Living possible

HIS MEMORY was so frail that he once forgot his own name—yet few names are now remembered more... He was so backward in school that his teachers complained—yet the thrust of his vision won the world's praise.

No handicap could dim his shining achievement... When he gave us electric light he gave an endless resource for achievements to

come—in science, education, industry and every-day living.

You need look no farther than your own home to realize the unending opportunities electric lighting affords for beauty, convenience, comfort and safety.

SPECIAL EFFECTS MASTER—Producer-Director Bert I. Gordon gets a close look at Gary Lockwood, in full regalia in title role of "St. George and the seven Curses," now in production. Gordon, acclaimed Hollywood's master of special effects, introduces new and startling tricks, ranging from 25-foot ogres to miniature people the size of Lockwood in this photo, in his latest film.

Rusk Cautions Against Hoping For Early Ending Of Cold War

Johnston, Board To Make Study Of Unemployment

CHICAGO (AP) — State Labor Director Robert Johnston Monday summoned an advisory board of unemployment compensation to meet in emergency session Thursday.

Johnston said the board will be asked to develop a bill for immediate consideration by the legislature to provide up to three months of retroactive compensation to workers whose 26 weeks of benefits have expired.

A second emergency proposal which Johnston said will be placed before the board would provide for a substantial increase in unemployment compensation benefits.

"President Kennedy wants the highest, quickest purchasing power that can be pumped into the economy," Johnston told a news conference. "The compensation improvements are a matter of general benefit to the economy."

Johnston said that Illinois, with a maximum weekly compensation limit of \$50 has "the lowest benefit structure of any among the major industrial states."

The nine-member Board of Employment Compensation and Free Employment Office Advisers was named by Gov. Otto Kerner Friday. Its members are Robert S. Piffer, a Genoa attorney; Mrs. Mary A. Baue, a Glenview school adviser; Prof. Frank R. Breul, a University of Chicago social service administration specialist; Gordon W. Winks, an attorney of Chicago; John C. Donnelly, a Chicago personnel executive; Russell I. Johnson, a Peoria industrial statistician; Charles A. Thompson, a Chicago carpenter's union official; Harold A. Katz, a Chicago labor attorney, and P.L. Sie Miller, a machinists union official, Chicago.

Kerner said in Springfield Monday that an increase in the jobless benefits scale is a needed "counter-recessionary device" and a major built-in economic stabilizer.

Johnston told reporters that, as labor director, he plans to continue a fight against moonlighting—holding of two full-time jobs by one worker—which he led when he was Director of Region 4, United Auto Workers.

"I am going to call upon the industrialists to help with this problem. They can bar workers who already have a full-time job," Johnston said moonlighting has reached major proportions as a practice which results in denying jobs to many workers.

Among pending actions of the State Labor Department, Johnston said, is a crackdown on private employment agencies that cheat workers and violate Illinois laws.

"The attorney general's office will file suit against one agency Feb. 14 to revoke its state license," Johnston said. "There will be other suits after that."

He said about 10 private employment agencies are under in-

Disarm Talks May Include Red China

WASHINGTON (AP) — Secretary of State Dean Rusk, at his first news conference, advised Monday against expecting a speedy end to the cold war. He said serious days and hard work lie ahead.

Rusk also indicated that Kennedy administration strategists are considering whether to bring Red China into disarmament talks, including the soon to be resumed Geneva parley on ending nuclear weapons tests.

The secretary, a soft-spoken Georgian, replied to reporters questions in the same State Department auditorium President Kennedy uses for his news conferences.

Kennedy showed up at Rusk's daily gathering with staff aides, not long before Rusk's meeting with newsmen. Rusk said it was the first time in U. S. history that a president attended a secretary of state's morning staff meeting at the department.

Rusk seemed nervous as newsmen fired questions at him about the world's trouble spots.

As has been customary with previous secretaries of state, Rusk barred direct quotation of his remarks until the department had okayed the transcript.

But, as it turned out, he said nothing which would have shaken a teacup in the most sensitive diplomatic gathering. And his transcript was cleared for quotation with only a minor amount of adjustment to make it read smoother.

Rusk praised the press, pledged frequent news conferences, said "our democracy works best when its leaders are candid"—but left himself ample leeway to keep silent when he believes that to be in the national interest.

He announced appointment of Arthur H. Dean, a onetime law partner of the late Secretary of State John Foster Dulles, to head U. S. negotiators at the Geneva atomic test ban talks which resume March 21. Dean has had wide diplomatic experience, including dealing with the Reds at the Panmunjom talks leading to the 1953 Korean truce.

Rusk emphasized that just because there is a new U. S. administration and Moscow has been tempering its anti-American line, this does not mean cold war problems will disappear.

He said Americans should not be unduly optimistic that the East-West situation has changed basically. He seemed more hopeful of progress soon on lesser issues than on major ones.

Rusk left U. S. policy flexible on personal diplomacy and summit meetings. He said whatever technique was best would be used.

AS for including Red China in the nuclear test ban talks or in

any future disarmament negotiations with the Communists, he said this is a serious problem under study by U. S. disarmament experts, headed by John J. McCloy.

To be realistic, Rusk said, an arms control system must cover the major powers. He declined to say how or when Communist China might be invited into arms control talks. And he gave no indication the Kennedy administration would favor either recognizing the Peiping regime of seating it in the United Nations.

Mrs. Kennedy Finds Historic Desk In Basement

WASHINGTON (AP) — Jacqueline Kennedy has given a historic table desk—made from the timbers of a British sailing ship—a place of honor in the White House.

The massive richly carved table desk from the 19th century HMS Rosolute, has been moved from a lower floor to the President's office for his personal use.

Since her husband is an ex-naval officer, and feeling it would complement the naval battle scenes and model of the frigate Constitution already in his office, Mrs. Kennedy gave the desk to him.

The office of the White House press secretary released the story of Mrs. Kennedy's find Monday at a press briefing.

RECEIVES WORD OF COUSIN'S DEATH

Mrs. Denby Ranson Sr. has received word of the death of her cousin, Mrs. Anna Darley Hobson. She passed away Saturday evening at Springfield Memorial Hospital.

Funeral services will be held Wednesday morning at 11 a.m. at Smith Funeral Home in Springfield.

She was the daughter of the late Rev. and Mrs. Edward Darley, formerly of Jacksonville. She is survived by a son, Richard Hobson. The deceased attended Illinois College while in Jacksonville.

JUSTICE WARZAR UNITES 2 COUPLES

Charles Coe, 3470 West Grand, Evanston, Ill., and Ruby Peacock, 400 Comfort Lane, Palatine, Ill., were united in marriage Saturday at 2 p.m. at the home of Justice of the Peace Charles Warzar, 128 West Morton avenue.

Henry Rust, 1030 Hackett avenue, and June Lawson, 1457 South Main street, were united in marriage Monday at 10 a.m. They were attended by John Wringer, Lois Sherren and Bernadine Campbell.

After a short wedding trip they will make their home in Jacksonville.

During the summer months, the temperature on the floor of Death Valley in California has been known to hit 128 degrees.

INFLUENZA SWEEPS JAPAN

TOKYO (AP) — An influenza epidemic sweeping Tokyo claimed two more lives Monday and forced closure of two additional kindergartens and 21 primary and junior high schools. Tokyo's anti-influenza headquarters said the deaths bring the toll to 13 since the epidemic broke out more than two weeks ago. Schools closed now total 801.

City Of Jacksonville May Join Suit Against 'Bid Rigging' Firms

The City of Jacksonville, believed to have been victimized through the purchase of electrical equipment from several of the 19 large electrical firms which pleaded guilty to criminal charges of collusive bidding by submission, may act in unison with 170 other cities throughout the country in a suit to collect triple damages.

Referring to jail sentences and fines meted out Monday in federal court at Philadelphia, Mayor Robert DuBois told the city council Monday night that the city attorney's office is investigating the possibilities of joining in the suit.

Jacksonville during the past several years has purchased large amounts of equipment and materials from Westinghouse, General Electric and other companies involved in federal prosecution on charges of submitting "rigged bids."

Jacksonville was on the list attached to the complaint and judgment obtained against the electrical firms, for alleged "bid rigging" over a long period of time.

This city is just completing a \$10,000,000 expansion of its light department, including a transmission line from Jacksonville to Springfield.

Could Collect Triple Damages

Acting City Attorney Thomas G. Rose informed the council he has received an inquiry from Charles S. Rhyne, general counsel for the National Institute of Municipal Law Officers, as to whether Jacksonville desires to file a joint action in which all cities that are affected would join in a single suit to recover triple damages under the Clayton Act and punitive damages from the same firms.

"If we have been wronged, then we should go after them," the mayor declared.

Acting City Attorney Rose, in replying to the general counsel for the municipal organization, said he has discussed the matter with the mayor and superintendent of the light department, and "we feel that the city might be interested in joining such an action, but at the present time we feel that we have insufficient information on which to base a definite answer."

Cost To Be Ascertained

Before the council takes action, the city attorney's office will determine what criteria there is for determining damage to each city, and the estimated costs involved for each city if joint action is commenced.

Councilmen exhibited much interest in the pending suit, but expressed opinion that more facts should be determined and the probable expense ascertained before taking action. Attorney Rose will obtain further information and submit it to the council.

Turning to other business, the council passed a resolution permitting the Western Illinois Camp Association to erect a caretaker's residence at the camp grounds on city property near Lake Jacksonville. The house will be ranch type, containing three bedrooms, bathroom, kitchen and living room.

On motions by Aldermen Schulz and Hocking, the council voted to authorize City Treasurer Irma B. Cline to reinvest \$100,000 from the Electric Construction Account in U. S. Treasury bills for a period from Feb. 9 to April 6.

The sum of \$73,490 inactive light department accounts was written off the books and turned over to a collector. Similar action was taken on \$39,56 inactive water accounts.

Petitions For Rezoning

A petition was received by the council asking reclassification of lots 8, 9, 28, and 29 in Block 2, second addition from Class D Commercial to Class E Commercial. The property is located near Douglas and Fulton streets. Petitioners include Ronald Lee Smith, Margaret R. Smith, Eugene T. Bergschneider, Mary Ann Bergschneider, Arthur O. McFarland, Margaret A. McFarland, Hugh Lacey, Nina Lacey, Louis Eileen Settles, Elmo Settles, George Lacey, Minnie L. Lacey, William Due, Hazel Due, Martha Bergschneider, and Jacksonville Savings & Loan Association.

Motions by Aldermen Sousa and Scott sent the petition to the City Plan Commission.

A petition filed with the council by the Illinois Christian Home, Inc., asked that a lot of its property at 908 Grove street be reclassified from District C to District D. The request also was referred to the Plan Commission on motions by Aldermen Sousa and DeFries.

Snow Removal, Old Machines

Chairman Joe Grojean of the highway department submitted a report of extensive snow removal operations on business streets, using some equipment borrowed from Illinois Road Builders, Inc. During the report the highway chairman described the old age and poor condition of numerous pieces of equipment used on the streets.

The road grader has no brakes. It is 13 years old, and the average "life span" of a grader is about six years, Grojean said. Machines of this kind cost about \$18,000. The highway chairman announced that he has set down \$14,000 in the budget, and by trading in the old grader it is hoped to secure a replacement.

His inventory showed that the street sweeper is ten years old and may not last another year. Other smaller pieces of equipment also need replacement, Grojean stated.

He declared "no reserve fund for machines has been set up during the last ten years, and all the time they have been wearing out."

No Early Morning Parking

The highway committee was authorized to buy a number of signs to be erected in the loop district, showing that it is illegal to park on the streets between 2 and 5 a.m., when the street sweeper is in operation. An order for signs and posts costing \$310 will be placed with the Illinois Southern Penitentiary, where the signs are made by inmates. Aldermen Kane and Schulz supplied motions for the purchase.

Chief of Police Bunkel explained that the street sweeper operators have had difficulty for several years, particularly near hotels where out-of-town visitors park overnight. He said the new signs will announce plainly to all that it is against the law to leave cars on streets of the loop district between 2 and 5 p.m.

Alderman Grojean said he believes all candidates for city offices should be urged to attend council meetings, to acquaint themselves with the functions that will be performed by some of them.

Mayor DuBois said the council meetings are open to all—candidates and other citizens—and that everyone is welcome to listen to the proceedings anytime.

SKI-NERY—The texture of the snow in the foreground, plus the brightness of clouds in the background, combine to give this lone skier an unusual silhouette. He is making his way toward the top of a slope hard by Dubuque, Iowa.

Hold Officer Installation For Meredosia Rebekahs

MEREDOSIA — Meredosia Rebekah Lodge No. 151 held its regular meeting Thursday evening, Jan. 26, and new officers were installed.

Installing officers were: District Deputy Johanna Mullen of Dawn Lodge; Deputy Marshall Iona Walsh; Deputy Warden Kathryn McAllister; Deputy Warden Tena Weghoff; Deputy Secretary Lena Boyd; Deputy Treasurer Marcella Nortrup; Deputy Guardian Elsie Becker.

These officers were installed: N.G. Mary Irving; V.G. Lucille Gregory; Secretary, Ethel Smith; Treasurer, Edith Nortrup; Warden, Helen Barth; Conductor, Alice May; Chaplain, Adeline Allen; R.S.N. Iona Walsh; L.S.N.G. Mary Williams; R.S.V.G. Lena Boyd; L.S.V.G. Maxine Rausch; I.G. Rita Rausch; O.G. Minnie Lefever.

Lucille Gregory was elected delegate to the Rebekah State Assembly to be held in Springfield in October. School of instruction will be held the first meeting in February, the 9th, conducted by the Deputy President, Johanna Mullen, Dawn Rebekah Lodge at Bluffs. Edith Nortrup was appointed chairman of the Bad Weather Days project.

The N.G. appointed the following standing committees: Visiting, Lucille Gregory, Dorothy Vandevanter, Edith Nortrup, Alice May, and Maxine Rausch; Finance, Kathryn McAllister, Adeline Allen, Helen Barth; Scrap Book Chairmen, Helen Barth.

Twenty-three members and visitors were in attendance, and among the visitors were Mrs. May Twist,

N.G. of Idelle Lodge at Versailles, Johanna and Donald Mullen, Dawn at Bluffs.

A social hour followed the close of Lodge, with hostesses Mrs. Edythe Dawson and Mrs. Dorothy Vandevanter serving donuts and coffee.

4-H Club Meets
The Merry Doshans 4-H Club met at the Grade School Monday after school. The president, Patsy Schlieker, brought the meeting to order; the Pledges to the American flag and 4-H flag were said.

Mrs. Hammit passed out the 4-H calendars, and we voted to have the next meeting at Nortrup's Insurance Agency where we will decorate the window for 4-H week.

Carol Ruh gave a demonstration of shell craft, and Betty Schroeder served cookies and milk.

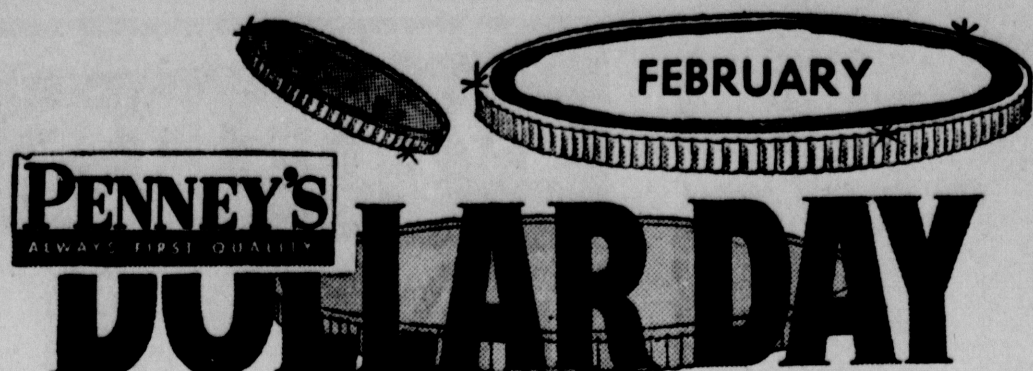

Those in attendance were Janet Siaske, Patsy Schlieker, Barbara Potter, Betty Schroeder, Carol Ruh, Albert Ruh, Mrs. Hammit and Kathleen Stanfield.

Returns Home
George Allen, who has completed two years of military service in the U. S. Army, returned to his home here Friday, Jan. 27. He received his basic training at Ft. Leonard Wood, and has been stationed at Ft. Bliss, Texas, ever since. Sp/4 George Allen received an Honorable discharge and a Good Conduct Medal. He was employed at the National Starch, Inc., at Meredosia before entering the service, and he will return to work there soon.

Average personal income in most countries of Latin America is below \$500.

WADDELL'S

DOES THIS MEAN A HARD WINTER?—The Statue of Liberty holds her lamp high over a bleak tundra—frozen New York harbor. Belted by storm after storm, numbed by unwonted cold, the East and much of the rest of the country has shuffled through one of the bitterest winters of recent history. The Weather Bureau blames it on something called "planetary waves" and notes that winters have been getting colder for the past 20 years. Oh well, the hounds of spring are on winter's traces.

Set \$6,600 As Red Cross Goal In Greene County

CARROLLTON — Mrs. Thelma Wilkinson, Greene county superintendent of schools and Greene county fund drive chairman for the 1961 fund campaign of the American Red Cross and vice fund chairman, Mrs. Frank Greer of Greenfield are planning to have a meeting of fund drive township chairmen within the near future to make plans for the raising of the \$6600.00 which is the goal for Greene county in 1961 of the American Red Cross.

The work will be done in the month of March. Plans for the campaign in each township will be made at the meeting to be called by Mrs. Wilkinson and Mrs. Greer. The townships, the quotas and the chairman are as follows:

Athensville, \$138, Mrs. George D. Morrow; Bluffdale, \$225, Mrs. William Volles; Carrollton, \$1,400, Mrs. Jake Shelton and Miss Billye Obst.

Hillview, \$200, Mrs. Robert Wear; Kane, \$238, Mrs. Roy Hall and Mrs. Robert Roth; Linder, \$200, Mrs. Charles Purl; N. Rockbridge and Rubicon, \$700, Mrs. A. M. Dalton; Patterson, \$138, Mrs. Leslie Sorrells.

Roodhouse, \$1,300, Mrs. Leta Ballard; South Rockbridge, \$180, Mrs. Walter Filager; Walkersville, \$160, Mrs. John C. Price and Mrs. Lloyd Howard; White Hall, \$1,360, Mrs. Robert W. Piper and Mrs. Hal Nevius; Woodville, \$180, Mrs. Thomas Handlin; Wrights, \$210, Lynn Meyer and Jake Tucker.

Norridgewock, Maine, was established on the site of an old Indian village, also named Norridgewock.

CONGO CONTRASTS—Jean Bolikango, Congolese political leader, wears a snake in Leopoldville. As he arrived to address tribesmen, the reptile was draped on his neck by tribal elder as a symbol of welcome. • Contrast that custom with a young radio reporter in the same city who uses a tape machine to record her on-the-spot comments from ceremonies surrounding promotion of strongman Joseph Mobutu from colonel to major general.

**Altar Society
At Arenzville

ARENZVILLE — The February meeting of the Altar Society of St. Fidelis Catholic church was held Thursday evening at the home of Miss Elsie Kolberer. Mrs. Charles McLain presided and opened the meeting with prayer. Mrs. Edward Dober read the secretary's report, and the treasurer's report was

given by Miss Elsie Kolberer.

Twelve members answered roll call, and Miss Mary Louise Lutkehus was a guest. A motion was made to donate \$3 to the March of Dimes, also \$3 to the Heart Fund. The D.C.C.W. magazine was discussed, also business concerning the parish. The meeting closed with prayer.

Following the business meeting a program was presented, which opened with the singing of America. Dates on the church calendar were mentioned, and the origin of Valentines was read by Mrs. Albert Kolberer. The Thought for the

Day was read by Mrs. Katie Lutkehus. Two contests pertaining to February were enjoyed, and prizes were won by Mrs. Bascom Beets and Miss Mary Louise Lutkehus.

Delicious refreshments were served by the hostess at the close of the evening.

Those present were Mrs. James Zillion, Mrs. Charles McLain, Mrs. William Jones, Mrs. Josephine Pley, Mrs. Bascom Beets, Mrs. J. A. Shannon, Mrs. Fran Hobrock, Mrs. Edward Dober, Mrs. Patterson McLain, Mrs. Katie Lutkehus, Miss Mary Louise Lutkehus, and Mrs. Albert Kolberer.

SECRET PARTNERS—One brave and two shy winners show their checks in London. They were equal sharers in the \$420,000 English soccer pool prize. Irvine Piercy, center, 32-year-old butcher, was the only one of the three willing to identify himself. The others preferred anonymity to being swarmed under by various money-grubbing types.

Meredosia Residents Feted At Birthday Celebrations

MEREDOSIA—Jon Jay Alhorn was honored by a birthday party at the home of his parents, Mr. and Mrs. John Alhorn last Saturday afternoon to celebrate his fourth birthday.

After spending the afternoon socially, all enjoyed watching Jon Jay open his gifts. Those present included: Jon Jay, Tina Faye Hinners, Lee Ann McAllister, Stephanie Staake, Randy Lovekamp, Roger Staake, Chuckie Tweedy, Carl Krumsieg, Debbie Percy, Carol Kunzeman, Patty Staake, Cathy and Cheryl Kunzeman, Lori and Nancy Wasson, and several others from out of town.

Mrs. Alhorn served birthday cake, ice cream, and punch. Lovekamp, Stanfield, Mrs. Earl Lovekamp entertained at dinner Saturday evening honoring the birthdays of her husband and John Stanfield. Following a baked ham dinner, birthday cakes and ice cream were served. The evening was enjoyed with visiting by the adults and games for the children.

Those present were Mr. and Mrs. John Stanfield, Kathleen, and Johnny, Mr. and Mrs. Lawrence Pothast of Meredosia; Mr. and Mrs. Earl Gilman, and the Lovekamp family.

George Lansink Mr. and Mrs. Robert Lansink entertained at their home near Meredosia honoring the birthday of the former's father, George Lansink of Jacksonville, last Thursday evening.

Those present to enjoy the birthday cake and coffee were Mr. and Mrs. George Meishinger, Plattsmouth, Neb.; Mr. and Mrs. Henry Lansink, Ida Grove, Iowa; the guests of honor, the hosts and daughter, Barbara.

Dennis Klopfer Mr. and Mrs. Ernest Klopfer entertained Saturday, January 28, at their home for the sixth birthday of their son Dennis.

Members of the kindergarten class attending were: Warren Burrus, Jimmy Duncan, Sue Fricke, Tina Hinners, Patty Oetle, John Staake, Charlotte Tegeder, all of Meredosia, and Monty Wortman of Chambersburg. Others present were Judy Krutmeier, Nancy and Lori Wasson of Meredosia; Janet, Debbie and Chrissie Jones and Bruce VanHynning of Beardstown; and Dennis brother and sisters, Gerald, Karen and Kathy.

Games were played with prizes going to Charlotte Tegeder, John Staake, and Chrissie Jones. Each child received a party hat and noise maker.

Decorated cupcakes, ice cream, orange drink, candy, and nuts were served.

Mothers assisting at the party were: Mrs. Lois Van Hynning, Mrs. Fay Jones, and Mrs. Helen Klopfer. Evening callers were Mr. and Mrs. Henry Brummeier, Judy and Susie, of Meredosia; Mr. and Mrs. James Jones, Janet, Debbie, and Chrissie of Beardstown, and Mr. and Mrs. Harold Rourke and Greg of Chicago.

South Side Jr.'s 4-H Gains 2 New Club Members

The South Side Juniors 4H club met Jan. 28th at the Farm Bureau. The president, Sunnie Gayle Blackburn, presided. Peggy Saunderson led in the pledge to the flag and also gave the secretary's report.

Diane Saunderson was elected treasurer of the club. The program consisted of talks by Peggy Jo Saunderson and Dianne Saunderson and demonstrations by Sunnie Gayle Blackburn.

Two new members were present, Connie Ruble and Sharon Bishop. Refreshments were served by Brenda Ogile and Peggy Jo Saunderson. The next meeting will be Feb. 11 at the Blackburn home.

A sign at the U. S. Navy's McMurdo Sound base in the Antarctic reads: There's no place like this place anywhere near this place so this must be the place."

ROUGH-AND-TUMBLE — Susan Oakes, 16, has played the only girl in a "street gang" of juveniles in the Broadway musical "West Side Story," for 624 performances. She makes it 625 with her appearance in the filmed version of the stage hit.

Minstrel Show Proceeds Will Benefit Band

ROODHOUSE — Mrs. Ray Camp, chairman of the Roodhouse Community PTA finance committee, reports that the proceeds from the minstrel show held Monday and Tuesday night amounted to the sum of \$211.93. This amount will more than complete payment of the school band uniforms. Other members of the finance committee are Ray Camp, Mrs. Kenneth Jackson, Mrs. Oren McClenning and Mrs. Bob Simonds.

85th Birthday
Mrs. A. L. Lucas, retired school teacher, quietly observed her 85th birthday anniversary, Sunday, Feb. 5. After her retirement, Mrs. Lucas, the former Cora Rawlins, married A. L. Lucas, then of Fort Wayne, Ind., a retired rural mail carrier and veteran of the Spanish-American War. Mr. and Mrs. Lucas reside at 438 East Clay Street.

Births
Mr. and Mrs. Howard Theis of Millstadt are the parents of a daughter, born Sunday, Jan. 22. She has been named Melanie Claire. She has two brothers.
Supt. and Mrs. R. S. Ward are the maternal grandparents. Mrs. Ward is spending sometime in the home of her son-in-law and daughter.

News Notes
Visitors in the home of his parents, Mr. and Mrs. Robert Pilson, Jr., have been Mr. and Mrs. Lloyd Pilson of Sacramento, Calif., and Mrs. Kit Avel, Capitola, Calif.

Bill Hodge, son of Mr. and Mrs. Harvey Hodge, a student at the St. Louis College of Pharmacy, St. Louis, Mo., is home between semesters.

The W.C.S. of the Methodist church will meet in the home of Mrs. Harvey Hodge, Tuesday afternoon, Feb. 14 at 2:30. Mrs. W. L. Worcester and committee will be in charge of the meeting.

Henry Gallman, who underwent major surgery at Our Saviour's hospital, Jacksonville, is reported to be recovering slowly. Mr. Gallman had suffered a bone fracture prior to the present illness.

Mrs. Mason F. Campbell underwent ear surgery at Barnes hospital, St. Louis, Mo., last week.

Mrs. Carl Perry is recuperating from a recent illness. Her daughter, Mrs. Betty DeShazier, is caring for her.

Blossoming of the Confederate States

FESTIVITIES greeted the announcement in Montgomery, Ala., on Feb. 8, 1861, that delegates of six Southern states had reported a temporary constitution for the provisional Government of the Confederate States of America. Following the lead of South Carolina, which seceded Dec. 20, 1860, Mississippi, Florida, Alabama, Georgia and Louisiana, in January, had approved ordinances and legislation declaring themselves

separate from the Union. Texas seceded Feb. 1. Representatives from the first six states convened in Montgomery on Feb. 4 to form a separate government. At the time, Harper's Weekly, which published the above drawing of Montgomery, said: "We may consider this (War for the Union) to have fairly begun on the 8th of February, 1861, when the Southern Confederacy was formally inaugurated."

Mrs. Lena Boyd Entertains Meredosa WSCS Members

MEREDOSA — In spite of bad weather 13 members of the WSCS of the Meredosa Methodist church attended their regular meeting at the home of Mrs. Lena Boyd Thursday afternoon. A devotional service was led by Mrs. Margaret Petri, spiritual life secretary; and the lesson was given in two parts: "What Is the Word?" by Mrs. Loretta Vandeventer and "The Lord's Prayer" by Mrs. Chel Young.

Presided over by Mrs. Joseph Schneider, routine business was conducted, and it was voted to pay 25 cents per member to the birthday fund of Cunningham Home. Mrs. Vandeventer, secretary of student work, reported writing to four servicemen and seven students away at college. The meeting closed with the Mizpah benediction.

Mrs. Boyd and Mrs. Robert Lansink served cherry pie, candy, nuts, and coffee at the close of the meeting.

The March meeting will be at the parsonage with Mrs. Joseph

Martin and Mrs. Vandeventer as hostesses. Mrs. Lloyd Lathrop will be lesson leader; and the flower and music committee for March will be Dorothy Vandeventer, Barbara Taylor, Virginia Hinners and Pat Wasson.

The United Lutheran Church Men of St. John's and Trinity Lutheran churches met at the parish hall Wednesday night, with 14 present.

Scripture was read by Oscar Norrup, and Rev. Frederick Krummieg offered prayer. The treasurer's report showed a balance of \$91.86. It was announced that Leadership Training Day will be held here Feb. 5, at 2:30 with all men invited to attend.

Due to midweek Lenten services, the next ULCM will be held on March 2, at Trinity Lutheran church.

The meeting closed with the Lord's prayer, and Rev. Krummieg showed a film and told the story of each picture. Cookies and coffee were served by Kenneth Nunn and Donald Oettle.

Grace W.S.C.S. Sees Film On Project Work

The monthly meeting of the WSCS of Grace Church was held Feb. 1 at the church at 1:30 p.m. President, Mrs. H. E. Hembrough, called the meeting to order with the singing of hymns. Mrs. A. V. Shenkel was leader and Mrs. Gail Gilbert accompanied. Mrs. J. I. Graham offered prayer.

Routine business was conducted and various committee reports were received. Mrs. Robert Brubaker reported that the mission study held during January and reported average attendance was 88. Mrs. Gaston Foote announced the follow-up on the membership drive will be held before Palm Sunday and asked for workers.

Mrs. J. A. Mann announced World Day of Prayer.

A film, "Wider Growe the Kingdom," was shown with Mrs. C. G. Eggenberger, in charge explaining the projects benefiting from the World Day of Prayer offering. Mrs. Benson Freedman from Springfield will present a book review for the March program.

Mrs. Lyndon Heaton and Mrs. Hobat Hinderliter were in charge of devotions. Dr. Frank Marston gave the program on the subject "What Is The Word."

A social hour followed the meeting with Circle Martha as hostesses. Mrs. Frank Marston and Mrs. Gordon Michelson presided at the tea table.

Methodist Sub District Meet At Greenfield

CARROLLTON—The Men's Fellowship of the local Methodist church will be hosts Thursday evening at 6:30 p.m. at a dinner meeting of the Greenfield Sub District Methodist Brotherhood to be held in the church dining room.

Robert Reid of Winchester, lay leader of the Greenfield Sub District, will preside at the program following the dinner in which each Men's Brotherhood represented will give a report of some outstanding activity which they are doing within their group. Men will be present from the following Methodist churches in the district: Rubicon, Rockbridge, Greenfield, Murrayville, Manchester, Roodhouse, White Hall, Winchester, Exeter, Oxville and Carrollton.

Wayne Martin is the chairman of the planning committee in the local church with his committee members being John Byland, Everett Shaw and Rev. Robert Pitsch.

PLATYPUMPS—Squared toe is a new shoe development for 1961. The Capezio shoes, shown in New York, are of soft butterscotch kid. Because the toe resembles a duck-billed platypus, the shoes are called "platypumps."

Blueboys Give Mac Murray Good Scrap But Lose, 68-59

Routt, Illinois College, ISD At Home Tuesday

League Championship At Stake For Rockets

Coach Bob Winstead's Routt Rockets try to claim an undisputed PMSC Conference championship tonight but to do so they need a victory over the ever-tough Bluffs Bluejays in Our Saviour's gymnasium. Routt is the only undefeated quintet in loop play but the Rockets are being challenged by Bluffs and Triopia, who are once-beaten.

All three shared the conference title last season. Routt handed Triopia its only loop setback, 62-49, and Bluffs' only defeat in league play came at the hands of Triopia last Friday, 64-56. A victory over Bluffs would practically clinch top honors for Routt as its final opponent is Perry. A triumph for Bluffs would give the Bluejays a 7-1 mark and leave Routt with a 6-1 showing. Triopia is 5-1 with only Perry and Chandlerville standing in its way.

Routt stopped Bluffs 12 days ago in a semifinal PMSC tournament, 80-73. The Rockets, 16-5 for the year, will go with Joe Cors, Fred Curtis, Ed Carroll, Bucky Sullivan and Jack Lawless as starters. Bluffs, 15-5, has Aubrey Gregory, Gary Bangert, Jim Cox, Burl Fargo and Lee Fredrick in the starting unit. Should develop into quite a scoring duel with a preliminary opening the activities at 6:45 p.m.

Coach Bill Merris' Blueboys play host for the second time in as many evenings with Carthage paying an eight o'clock visit. The Blueboys were dealt their 11th defeat in 15 starts by MacMurray Monday night.

The other local contest pits Griggsville against the Tigers at Illinois College for Deaf in a non-conference tilt. Coach Jim Bonds' Tigers have had their share of misfortune this season in losing 14 of 15 games. And it appears they are in for another jolt tonight when they square off against Charlie Pritchett's hot-shooting bunch of dead-eyes composed of Corky Shelton, Ronnie Goacher, Bruce Baker, Billy Craven and Jim Allen. The Tornadoes have won 12 and lost six. They also took second place in the Winchester Invitational basketball tournament, finishing second-best to the Wildcats.

Scheffing Not Ready To Evaluate Detroit Until Spring Training

By BOB SCHEFFING
SCOTTSDALE, Ariz. (AP) — As this is my first season as an American League manager, it will take at least a good part of spring training before I'm able to evaluate the Tigers much less the nine other clubs in our league.

The one spot I'm not concerned about is our outfield. We have one of the best in the business with Rocky Colavito, Al Kaline, Billy Bruton and Charley Maxwell. Bruton, whom we got from the Braves, will add a lot of speed to the club and with him in center we'll be able to move Kaline back to right field where he has always been a standout.

The infield is another thing. We may go with rookies at both second and third. Steve Boros will probably be the third baseman. He had a fine year at Denver last season, hitting .317. Jake Wood, another Denver graduate, and Chuck Cottier will battle it out for the second base job. Cottier came to us in the Bruton deal. He's an exceptional fielder and will stick if he shows us he can hit big league pitching. Chico Fernandez, another fine glove man, is the probable shortstop.

At first base, it'll be between Larry Osborne and Norm Casch. Osborne won the American Association batting championship. Casch is a good hitter who'll have to sharpen up his fielding. He can also play the outfield and we'll play him there if necessary.

The pitching and catching departments are also unsettled at this time. Last year, Don Mossi, Ray Narleski and Paul Foytack

all came down with injuries and were lost to the club for considerable periods. If they're back in shape, we'll have no trouble. Jim Bunning and Frank Lary are two experienced right-handers. Bunning can do considerable better than his 11-14 record of last season.

Harry Chiti, Dick Brown and Mike Roark are the catchers. Brown has a lot of power, but doesn't hit for a high average. Chiti is the most experienced of the three.

From what little I know about the rest of the league, the Yankees and Orioles seem to be the best. The Tigers should be at least as good as any of the others. Once we get strengthened away, I hope we'll be better.

Next: Milwaukee.

SECOND 'AT LARGE' TEAM

NEW YORK (AP) — St. John's of New York Monday became the second "at large" team selected for the NCAA basketball tournament. St. Bonaventure was named previously.

Robert Brown, West Virginia athletic director and chairman of the eastern selection committee, made the announcement through the NCAA Service Bureau.

St. John's has an 11-4 record. The Redmen have competed in the NCAA tournament twice previously. They reached the semifinals in 1951 and finished second in 1952.

St. John's and St. Bonaventure will appear in a first round triple-header at Madison Square Garden, March 14.

JHS Frosh Win Number Twelve Over Routt

Coach Al Posenberger's Jacksonville High School Freshmen downed the visiting cross-town Routt Rocket yearlings 59-51 for their twelfth win in a ragged foul marred contest. The Crimson outscored the Rockets 22-14 via field goals, but Routt amassed 23 charity tosses to stay very close to the Jacks. With about three minutes left in the game, Routt pulled to within two points of Jacksonville, 45-43, but Posenberger inserted his ace foursome of Covey, Carter, Chapman and Daniel and they broke the contest wide open with a potent fast break. Routt did a fine job throughout the game of controlling the backboards, but lost Ferry, Watts and Eoff on fouls and couldn't match the Crimson bench.

White Sox May Be Forced To Do More Traveling

CHICAGO (AP)—The booming jet age may force the Chicago White Sox to do more traveling by train this season than at any time in the last five years.

"Moving the team around the schedule has really become a headache," said Ed Short, traveling secretary.

"Nearly all the major airlines are switching to jets and trading in their piston engine equipment. The jets are operated on a strict regular commercial schedule and are not available as charters. There are fewer and fewer piston planes left that the club can have for its private use. We'll probably have to travel more this season than we have for four to five years. We must arrange things so if we miss a regular commercial plane, we still can go by rail."

The Sox had chartered planes for 90 per cent of their travel last year.

A Flip Of The Hand And Two Points

IC center Bill Schildman flicks the wrist and accounts for two of his 21 points Monday night in Memorial Gymnasium as the Blueboys put up a gallant fight but lost to MacMurray in the first meeting between the two schools, 68-59. Schildman is about to land on teammate W. W. Duncan. Players in dark jerseys for the Highlanders are (33) Don McCarty, (31) Larry Krulac and Tom Jones (right). Jim Costello of IC is caught between Krulac and Jones.

Buckeyes Like Being On Top And So Does Coach Fred Taylor

By FRITZ HOWELL
Associated Press Sports Writer
COLUMBUS, Ohio (AP)—Coach Fred Taylor needs no needle, emotional or otherwise, in pregame outbursts to keep his brilliant Buckeye basketball team on the victory trail.

The Ohio State mentor, surveying the team's 21-game winning streak, the unblemished 16 conquests this year, the 1960 national championship and current unanimous No. 1 ranking, said: "Frankly, I like it up here. So do the boys."

"When you are on top, you're everybody's target. Every team we play is sky high. We have to be just as high—but we do it naturally, by just accepting the challenge."

"Winning is nothing new to our five starters. All were all-Ohio high school players. There's no friction anywhere."

"In addition to their ability, our boys have intense pride in their record. They know that one slip can shove them off the top. With that knowledge as an incentive, they need no pep talks."

Jerry Lucas, the all-America junior and Olympic star, is Ohio State's marked man. As a rule five defenders collapse on him every time he's within range of the basket.

Michigan Drops Fifth Straight To Purdue, 48-40

LAFAYETTE, Ind. (AP) — Purdue's Bollweavers dropped in 40 of 48 free throws and inflicted Michigan's fifth straight Big Ten basketball defeat Monday night 48-40.

Fifty-eight personal fouls were called, with Michigan losing four players and Purdue one.

Terry Dischinger, Big Ten scoring leader, notched 22 points for the Bollweavers in their fifth victory of seven league starts. Teammate Jerry Berkshire was high, however, with 27.

Tom Cole topped Michigan scorers with 21 points.

Purdue hit 16 fielders in 27 shots for a 69.3 per cent first half and took a 59-38 lead.

St. Bonaventure cracked it open, in effect, before the game was four minutes old as they raced to an 18-4 lead.

The Tigers shaved it to seven points at 38-31 with 3:45 left. Three fast-break baskets, two by Stith, cut the heart out of the Tigers' attack at this critical mark.

the basket — which opens pathways for some of his friends. So big Jerry, despite his 25-plus scoring average, spends much of his time passing off or grabbing rebounds. That's the type of team play which has paid off. In most of the contests each of the five starters has scored in double figures — and any of them can break a game open at any time.

Johnson 3-1 Favorite To Defeat Bowdry

By WHITNEY MARTIN
Associated Press Sports Writer
MIAMI BEACH, Fla. (AP)—Harold Johnson of Philadelphia zoomed to a solid 3-1 favorite Monday as he and Jesse Bowdry took their final workouts for their 15-round battle for the National Boxing Association version of the world light heavyweight championship at Miami Beach Convention Hall Tuesday night.

Promoter Chris Dundee continued to predict a crowd of 8,000 and a \$60,000 gate, both of which would be records for the big arena. The previous high marks were 4,500 and \$28,000, set in the opening fight show in 1958 between Johnny Bussio and Joe Brown.

The main event is scheduled for 10 p.m. and will not be on television or radio. Scoring will be on the 10-point must system.

Johnson is 32 and had his eye on the title long before Bowdry, 23, had any ideas of a pro fight career. The Philadelphia had one shot at the crown, losing by a knockout to Archie Moore in the 14th round in Madison Square Garden, New York, Aug. 11, 1954.

It was their fifth meeting, and Moore had won three of the previous four, none title matches. It is for ancient Archie's vacant throne Johnson and Bowdry will be fighting Tuesday night. The NBA ejected Archie for failure to put the crown on the line in a reasonable time.

Johnson fought in nine months and Bowdry had only two fights in the last year. He was knocked out twice by a middleweight, Henry Hank, in his two preceding fights, prompting him to go into temporary retirement.

Johnson, a stolid, reticent citizen, has changed his tune from a timorous "I hope I win" to a defiant "I will win" since arriving here. His manager is predicting a knockout in three rounds.

The Bowdry camp is predicting a knockout for the St. Louis fighter within seven rounds.

Herb Score Signs With Sox For '61

CHICAGO (AP) — Herb Score Monday sent his signed 1961 contract to the Chicago White Sox and became the 13th player to agree to terms with 20 to go.

The 27-year-old southpaw, a 20-game winner for Cleveland in 1956, rejoined manager Al Lopez with the Sox in exchange for pitcher Larry Latman a day before the 1960 season opened.

Score, striving to reach his former form after a serious facial injury from a Gil McDougald liner in the Cleveland-New York game May 7, 1957, had a 5-10 record with the Sox.

He was a hard-luck pitcher much of the time. He lost four games in 32 innings of work although yielding only 10 earned runs, and in three other games he was yanked for a pinch hitter and was not the pitcher of record.

In 114 innings, Score gave up 91 hits, struck out 78 batters and walked 37 for an earned run average of 3.71. Lopez has great hopes that this will be a big Score season with him winning 15 or more games.

Indiana Bows To Ohio State

COLUMBUS, Ohio (AP) — All-America Jerry Lucas scored 34 points and Larry Siegfried 27 to lead seemingly unbeatable Ohio State to a 100-65 Big Ten basketball victory over Indiana Monday night, the 22nd consecutive win for the top-ranked Buckeyes.

The national champions, posting their 17th triumph this season and their seventh in the Big Ten, were cruising with a 40-point margin at 79-39 with 10 minutes to play.

Ohio State is now at the halfway point of its conference schedule with Iowa, in second place with a 4-1 record, the only other team with fewer than two Big Ten defeats.

Indiana came into the game with a 3-1 conference record and led 4-3 for the season. But any hopes the Hoosiers had for an upset were quickly quelled by the hot-shooting Buckeyes who hit on 59.1 per cent of their attempts from the field.

PEORIA, Ill. (AP) — Drake's Bulldogs topped third-ranked Bradley, 86-76 Monday night knocking the Braves out of the Missouri Valley Conference basketball lead and ending Bradley's home victory string at 46 straight.

Led by Jim Guidon and Jerry Foster, Drake outplayed the Braves all the way with the Braves holding only three leads at 4-2, 6-5 and 46-45.

The defeat dropped Bradley into second place in the conference with a 5-2 record while Cincinnati is now in first place with a 6-2 mark. The loss was the third straight for Bradley which now has a 14-4 record for the season.

Guidon, leading all scorers with 35 points, scored 23 in the first half which found Drake ahead 43-33. Chet Walker, Bradley's all-America candidate, hit on a three-point play to open the second half, giving Bradley its last lead. The score was tied at 50-50 but Foster made it 52-50 with 17:20 to play and Bradley never recovered.

Illinois Scores 77-73 Victory Over Wisconsin

CHAMPAIGN, Ill. (AP)—Illinois turned back a late Wisconsin threat Monday night and scored a 77-73 Big Ten basketball victory over Wisconsin.

Sharp outside shooting by Jerry Colangelo and rebounding strength provided by John Wessels and Bill Burwell enabled the Illini to score their fourth Big Ten victory against two defeats.

Wisconsin, threatening throughout the game, suffered its fourth conference loss against one triumph.

With four minutes to play, Illinois managed to freeze the ball for two minutes before Dave Downey went in for a layup, giving Illinois a 75-69 lead. Baskets by Ken Siebel and Tom Hughes pulled Wisconsin within two points with one minute to play.

Illinois then put the game on ice on free throws by Bob Starnes and Doug Mills.

Colangelo topped Illinois scorers with 20 points but had to share honors with Wisconsin's Tom Hughes who also had 20.

The game started fast with the lead going back and forth until Burwell broke a 19-19 tie with a pair of free throws to put Illinois ahead to stay.

Illinois was ahead 42-38 at the half and went out in front by 12 points at 72-60 with seven minutes to play before the Badgers put on their final spurt.

Our Saviour's GS Wins Behind 27 Pts. By Carroll

The Our Saviour's Shamrocks smothered the Arenzville GS quintet, 61-35, as Leo Carroll poured 27 points through the hoop to lead the Shamrocks to their tenth win against three losses. Arenzville took a brief 9-8 lead at the end of the first period, but Our Saviour's came roaring back to outscore the host, 14-0, and were never headed again. The Shamrocks thus kept their GS conference mark at a perfect 5-0 in the PMSC. Carroll's 27 points led all scorers and McGinnis added 12. Bischoff collected 12 for the losers.

Both Quintets Hit 50 Per Cent In Evenly Matched Second Half

By STAN SPOTTS
Journal Courier Sports Editor

MEMORIAL GYMNASIUM—The Illinois College Blueboys lured MacMurray to the west side and almost ambushed the Highlanders in a historical meeting between the two schools Monday night but the favored clansmen had too much strength in reserve and pulled out a 68-59 decision before a sellout crowd of 2100.

For Coach Bill Merris' Blueboys the final outcome definitely had to be a moral victory as they stayed much closer than anyone had dared anticipate prior to the opening tipoff. Illinois College's downfall came late in the second half when it lost floor general Jim Costello on fouls and further trouble developed when Costello's teammate, Marlin Dawdy, suffered a deep gash on his head and had to leave about the same time.

This mishap opened the way for MacMurray's full court press and the Highlanders came on strong to overcome a 43-38 deficit and go into a commanding lead, 51-43. Coach Bill Wall's aggression didn't perform with its usual smooth function and never had a chance to get its fast break working effectively as the Blueboys were prepared for it by holding their own off the boards.

It took 247 years for the two schools to get together on the basketball court but prior to that it was almost an impossibility as the MacMurray's men school is only four years old. Illinois College is 132 years old and MacMurray 115. The first 111 years at MacMurray were devoted to females. Regardless of how long it took for the two schools to schedule a contest, the first one will be long remembered by the large turnout. It was a good game all the way with never more than 11 points dividing the two teams and not one fan made a move to leave until the final buzzer had sounded. If Monday night's game is any indication this should make for a spirited rivalry in the years to come.

Blueboys Lead
Larry Krulac kept the opening tip for MacMurray but the Highlanders missed both attempts and fouled Jim Costello within the opening 30 seconds to set up Illinois College's only first half lead, 1-0.

The Highlanders then shook three players loose for easy lays. MacMurray twice, Price and Hohenberger, to offset an IC charity for an 8-2 margin. During the sluggish opening minutes of play while each team felt out the other's defense it didn't appear Illinois College was going to be in the running for long as Bill Schildman collected its only two field goals in 10 minutes of play while MacMurray, although it never did get rolling, built up a 16-8 lead.

But Schildman, Costello found the range in the next 10 minutes to begin closing in on the leaders. Mike Bandy, Schildman and W.W. Duncan contributed some worthy rebounding to the IC cause in this spurt to get within five points, 26-21, with 2:40 remaining in the first half. While MacMurray was going scoreless during the remaining time, the Blueboys sliced the margin to three, 26-23, on a beautiful 35-foot, two-hand set shot by Costello just as the halftime buzzer went off.

MacMurray hit 28.5 per cent the first half with 11 of 38 attempts while IC connected on nine of 23 for 39 per cent. The Highlanders, who missed 21 free throws for the game, missed nine the first 20 minutes of play.

The only thing of significance for the Highlanders in the first half was guard Ron Price collecting his 1,000th and 1,001st points of his four-year career on a driving layup with 10:09 left to play in the first half. Outstanding for the Blueboys was the eight points apiece by Costello and Schildman. But MacMurray had seven players figuring in its first half scoring collection.

MacMurray, who dominated most of the first half, found itself in the other guy's shoes early in the second half as Illinois College made a comeback. The score was tied twice and the lead changed hands three times the opening three minutes with buckets by Schildman and Costello knotting the score twice. A driving layup by Dawdy with 17:
